Manutuke 2013 Rippers!

Year 5 & 6 students were invited, by Koka **Melissa Mackey-Huriwai**, to trial to win selection to represent Manutuke School at the Friday, 14.06.13 Inter-school Ripper Competitions. There was the chance to go on to play against the East Coast schools to find the winning team that will represent Te Tairāwhiti at the National Ripper Competitions in Wellington.

Kahu Whaitiri-Te Miha reported eagerly that he believed that the team played their seven games very well. "We enjoyed the games we played and I think that we all gave our very best as a team!" **Kahu** said. "We did make it to the semi-finals and were pleased with that and there was a 'Player of the Day' for our team too and it was me koka! Nah... just joking koka, the boy's **Player of the Day**, this went to **Silas Brown** from Room 3."

Aquilla Wallace was the girl's **Player**.

The team thank Koka **Melissa Mackey-Huriwai** and Koka **Milz Haenga** for being with the team. Thanks to *whānau* for the support there too. So grateful!

REAP G.A.T.E. Chemistry Challenge!

On Monday, 10.06.13: **Rongonui Kahurangi** (at left) attended a GATE Chemistry Challenge workshop, organised by Mrs **Sunny Bush** of REAP with teacher **Georgette Jenson**, "I would like to say how impressed we both were with Rongo – he is a fine young man, whose leadership and empathy towards others was noted by all", reported Mrs Sunny Bush. (Rongo featured in the GATE article of the Gisborne Herald that same night).

"My congratulations to him on his wonderful success at the Tamararo Festival, in the weekend! Huge congratulations to Manutuke School – fantastic news and very well done", Sunny Bush continued.

We were only able to send one student from our school this time around and **Rongo** had no qualms at all about being the only Manutuke school kid to go; proving that he knows how to make the most of every opportunity that is offered to him, without fear, a lesson that others at school must learn!
