# The Sky-City Breakers & Te Manu Tu Ke!

Manutuke's C.J. Lewis-Brown was thrilled to meet Sky-City Breakers' C.J. Brunton.

**Diamond Hawke-Te Ua and Sheanne Edwards** with the Champs Cup!

17.06.13: The school were thrilled to host the Sky-City Breakers and thank Turanga Health staff for their invaluable input. C. J. talked to the kids about setting achievable goals e.g. to learn my four times table by next Friday, to read a chapter of my novel each day until I finish it. They also learnt basketball skills in a HUGE team, as well as cooperative and team-building skills.

The staff had the privilege of hearing inspirational stories behind the success of the Sky-City Breakers, from Coach, **Dean Vickerman**. He shared their trade-mark: **ONE TEAM: COURAGE + INTEGRITY = CHAMPIONS**, their players' values from **CHUR** - the latter of which Dean disclosed was "**RELENTLESS**" and a simple but modern maxim and joint expectation of "No Dickheads!" The teachers used these inspirational ideas to on-share with our tamariki - in helping us to look into our **Vision** (in the letter head above) and into our school's five **Values** (see at end of Pepa Panui).

**Shean Edwards** in her gorgeous green costume, won First Prize, selected by Enviro Advisor, **Kauri Forno**.

## ENVIRO Marau.

3. **Earthworm Farm:** **Koka Waina Ilolahia** and her room 7 tamariki are practising with a small a worm farm for future kura plans.
4. **Fruit Monitors:** **Kahu Whaitiri- Te Miha** connects daily with **Koka Aroha Tamanui**, as to their tasks and this week with **Manaia Haenga, Bree Edwards, Mesiah Tarawa** were excellent team members; recycling plastic and boxes as well as delivering fruit.
