You will note that our children, year 7 - 8 score at and above the Curriculum expected level in Textiles, Hard Material and Visual Arts!

As teachers of our Manutuke child we are very curious about the Level 3 attainment that our Top Year 7 students score in Food Technology, considering what we know of them! Please work with us to encourage our children to have TOP ATTITUDES and WORK HABITS for Terms 3 and 4!

# Interschool Netball and Rugby!

Our **NETBALL TEAM** has played one game so far this term and this was against a very sharp Wainui team who beat our girls by a sound 20 to 2 score. This week the girls have a second game and will play at Kaiti against Kaiti. Thank you to our coach Koka Trudi Ngawhare for her input with the girls and to Koka Milz Haenga for her support. Koka Trudi is very pleased that several new girls who have never played before have joined the team and although new-comers still learning the game their enthusiasm is fantastic. "Stands us in good stead for next year also," Koka Trudi said.

Our **RUGBY TEAM** also has new players to the game who are relishing the opportunity. So far we have played Wainui who beat us 35-15, followed by a game against a mixed Riverdale, Nga Uri and Whangara Team who trounced us by 100-30. The boys thank Papa Robert for being there as their coach who today rushed from firing up TWA's Hangi to taking and coaching the boys in town!

We also thank the parents, nannies and whanau who come to help out with transporting our children to town and back! We are blessed with awesome support and valuable input.
