POOL UPDATE!

The School Pool Project is divided into three parts:

1. Relining/ resurfacing the pool
2. Upgrading of piping and the concrete surrounds
3. Fencing – construction to safety standards

The Property Team is aiming for work to begin on the Pool Project in Mid-November and we are aiming for the whole project to be completed by mid-January 2015. Sadly the school will not have a pool in Term 4 but can look forward to a fantastic facility in the New Year!
