The Manutuke School 2012 English Speech Competitions

The depth in our speeches was evident this year, with teachers using their topic studies to give deeper meaning for their tamariki's learning. Several children took up the challenge as first-time participants! Top credit to our teachers and whanau who supported their child so fantastically to gain such wow successes! Matua Parekura Tureia, teacher-in-charge, was pleased to have Koka Keita Ngata our RTM to be our Lead Judge and this year Koka Rakairoa enjoyed being the second judge.

BUS SAFETY SOLUTIONS!

The school is reviewing our Bus Systems especially with our tamariki and most importantly our monitors. Some of our whanau and parents have come forward also with ideas and solutions. One idea is that each bus rosters to have a parent or adult travel out on a daily basis. Another idea is to bring back the Yellow Cards as a positive incentive. Have a think koutou ma and on-share your ideas to us.

Nga mihi nui, Na Koka Rakairoa.
