Kia ora tatou, nga matua, nga kaitiaki me nga whanau o te kura,

Welcome back to Term 4!

Welcome back koutou ma and an expecially warm welcome to Koka **Amy Wright** who returns from maternity leave to room 2 and a hearty congratulations to Koka **Piata Waitai** and Matua **Dane Hollis** for the birth of their newborn son. Welcome back also in week 2, to Koka **Karryn Heaps** who has relished her Study Award Leave.

We also welcome the new tamariki and whanau of **Enoka Wynyard, Natana Ihaka, Keyarn Hawke-Te Ua, Aaliyah Warmehoven, Carolanne Tau, Phegan Wanoa** and brothers **Star** and **Tuhira Thompson**.

Nau mai haere mai!

Thank you & Farewell!

On behalf of the Board, and school please join with us to gratefully thank two kaiako, Koka **Maiangi Mackey**, who was the reliever in Room 2 for term 3. We did value her firm and yet fair ways, and in being the teacher-in-charge for different school sporting events. Koka Mai won a teaching job at Riverdale school! We also thank Koka **Vera Cheffers**, who was the PRTYr 1 teacher release teacher for Koka Maiangi and Koka Helen Mason (who was Koka Mai's tutor teacher). Koka Vera won a teaching job at the Gisborne Health Camp school!

Earthquake in Reality!

On 17.10.12 about 12.45p.m. the school experienced an earthquake and staff watched the excellent outputs of their teaching and handiwork, as all of our tamariki,

- **Dropped**
- **Covered their Head** with their arms and then
- **Rolled** over into the Foetal position.

Those children who did not feel the earthquake, calmly and quickly followed the lead of the other tamariki! On the clearance bell children lined up smartly and quickly and moved, 'the best that I have ever seen them' to the Evacuation Areas. Was fantastic to watch!

The School's next Earthquake Drill Jobs!

1. To complete putting together our Evacuation Trolley Boxes!
2. To work towards completing our Tsunami plans of walking to Manawaru!
3. To share with whanau/ community our proposed Earthquake/ Tsunami and Evacuation processes.
4. To put in a gate in the car-park fence next to the dental clinic.
5. To put a gate or foot-stile in the domain fence.

Have you and your whanau got your earthquake / tsunami drill ready?

Are there any volunteers out there who can help us complete one of our tasks please?
