MANUTUKE: "Building Skills for the Future through Culturally Connected Learning"

Mauri ora ki nga Whanau me nga Hoa o te Kura,

The school's No. 1 GUMBOOT DAY showed our children in real-life learning experiences; giving back to our community or learning from our community's experts being the major objectives.

Papa Taha and some of the room 10 children make a wow difference clearing the overgrown pathway at the Manutuke Swing Bridge. Their seriousness to give back to their village was highly evident!

Matua Pare and some room 1 tama rolled up their sleeves to start clearing the weeds and debris at the Half-Round on Whakato Road whilst the rest of the children were with Koka Soraya Pohatu at the Manutuke Marae Mara-Kai. It was great to have Nanny Raiha Moetara and Koka Pania helping out with our children's learning too. Georgia Wanoa and Johelonn Toroa-Taare enjoy mowing the lawn around the mara-kai.

Mrs Skudder, Koka Helen and Koka Lilil with their room 3 and 4 tamariki cleared out the school's Mara Kai to be able to prepare and grow for our use. At left is Paris Harrison pulling her weight!

Savant Watene-Rehutai and her friends at the ready, to feed the tiger worms. Koka Waina, Jiraiya Patuwai, Mana-Kura Newby, Denim Stone, Legacy Tarawa, Zaliyah Kaweroa and Manea Mangu-Koteka learning together. The sounds of wonderment, in unearthing so many tiger worms was a delight!

Koka Melissa enlisted the expertise of Nanny Trish Mackey and sister Natalie to help her and the tamariki to collect fruits and vegetable to create their own personal 'Smoothie' recipe. Saqara Warmenhoven enjoys a beetroot based smoothie and uses a dictionary to source the Maori names for the ingredients! Kaea Stewart recorded his recipe in tohu and pictorial format!

The Weetbix Tryathlon 2015!

5 whanau made the \$20 Early Bird Registration in 2014 just before Christmas. Congratulations to our 5 tamariki, Shadel Wynyard (Age 10), Ngaru Grayson (Age 9), Levi Hune (Age 8), Alizay Grant (Age 9) and Ishtar Mackey-Huriwai (Age 8) who finished the 3 legs of swimming, cycling and the run!

FRIDAY 13.03.15: Rural Schools' Triathlon. A BIKE CLUB will be held at school, whereby Koka Mel and Koka Rik will take turns to work with children during the lunch break to fine-tune their cycling skills. Please bring your bikes to Koka Mel's room and we will store them in room 6 for safe keeping. The competition is open to all age groups, 5 years up to 13 years. The teachers will work with the children to either compete as a team or as individuals.
