FIRST TIME TRYATHLETES!

Phegan Wanoa came 2nd in the run, to help **Wyllie Hiko** “pass on the baton” to **Rixon Skudder**, who blitzed the pool, taking his team *FIRST across the line!*

Miss Aurora Barbarich (5 year old) had all of us, her M2K whanau behind her as she was first-up! She fell and hurt herself in the bike leg but with tears falling she dove into the pool to complete the swim and to cross the finish-line! A Winner!

The **Whaitiri- Te Miha Mahanga** (who took out 2nd and 3rd placings), are seen here with **Silas Brown**, serious contenders. We did learn that racing bikes with gears and of an adult size was a critical winning factor!

Repoma Te Rahui-Keenan with team mates, **Asher Steedman** and **Renata Wyllie** listen out!
