## School Property Updates

The school is thrilled with the current progress of our Property Projects. Take a look here, at how gorgeous our pool site is looking. We now will work on these:

1. Make good the walls of Papa Rob's work sheds.
2. Lift and move the last container over Uncle Magnus Pardoe's fence to an area behind Room 4.
3. To paint the walls of the changing sheds.
4. Papa Wade Lloyd to lay a Tasman Green, fibre-glass layer in the pool, within the month.

## Parents & Whanau as our Experts!

Matua **Darryn White**, seen below left, has become a regular feature in our school, coaching our primary rugby team. His high standards and commitment to them is highly evident. Thus his boys, the majority of whom are very young, NEVER give up! Thank you to our parents/whanau who transport and wash uniforms!

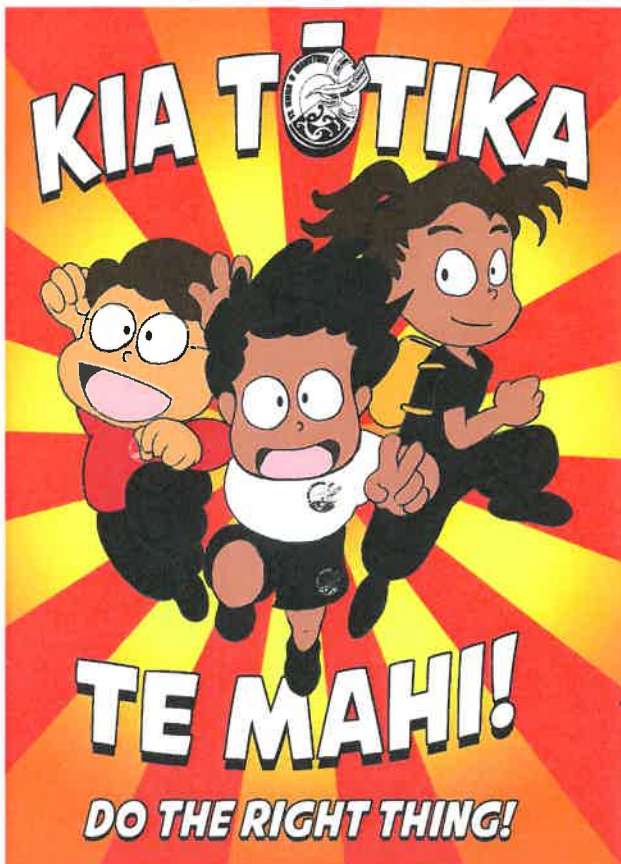

Koka **Mitch Jones**, our enthusiastic and dedicated ICT Tutor is seen below right awarding Papa Robert Makara with his Computers in Homes certificate. Koka Mitch was able to work with our school's whanau members who were able to complete their work tasks to be able to access a brand-new computer, internet and tekkie support too.

Koka **Mitch Jones** seen with some of our CiH Graduates, Papa **Rob**, Koka **Aroha Tamanui**, Nanny **Tangi Maraki**, Koka **Maxine Edwards** and Matua **Lee Barbarich**, who came to the Computers in Homes Graduation with their proud tamariki and mokopunas.

## The M2K MOTTO!

The school needs our whanau to know that we have worked to combine our ideas to build a “**Kia Totika te Mahi**” Motto to aid our akonga to:

- **Manage their own behaviour**
- **Keep Safe**
- **Be Learning**
- **Be Happy**

Our AIM is to use

“**Kia Totika te Mahi!**”

to embed our Values/ Uaratanga:

**Rangatiratanga:** Working to my potential. Taking Responsibility. Showing Leadership

**Kotahitanga:** Working as ONE to support each other.

**Wananga:** Learning & Sharing together.

**Manaakitanga:** Working to care for One another and for the World that we are a part of.

**Whanaungatanga:** Knowing & Celebrating our Connections to one another.

## New Bus Wardens!

Students told us that **Georgia Wanoa** has to be a Bus Warden. Why? She is the best for checking us into the bus; she is organised and she is fair too.

**Reweti Ropiha** has to be a Bus Warden too they told us.

He looks after us all the time even when we are NOT on the bus and he is kind all the time. “ I trust being with him” said a year 5 lad. “He asks the kids really nicely”, a year 4 lass said.
