GATE Debating Participants!

Join with us to congratulate Ariana and Daniel who were selected to attend the recent GATE Debating workshops run on our behalf by REAP. The workshop tutor was Sam Bush, at a no-cost option with the challenging topic 'Drilling Oil on the East Coast'.

Year 8 Room 10 lass **Ariana Ngaronoa** reported, *"Awesome! I liked meeting new kids and I especially liked seeing different styles of debating and listening to different points of view. Working with Sam and the other kids was great. It turns out they're not as different as I thought they would be. I wasn't shy around them at all!"*

Daniel Livingston a year 6 room 2 lad said, *"Overall, it was pretty cool. In fact it was a great experience; I learnt about the parts of a debate. The teacher was great and I made new friends."*
