Kia ora koutou te whanau,

Welcome back koutou ma especially after such a wet and flooding holiday. Great to have the tamariki come back to kura and to have our water tanks filled.

Matariki

The whole school celebrated Matariki the New Year of the Maori, together, across the last week of term 2. We thank Matua **Pare Tureia** for seeking funding from Te Puni Kokiri for the celebrations. We especially thank the parents and whanau members who came to support the tree-planting, the preparations and the setting up of the hakari, the koha of kai as well as the gifts of native trees.

Left: The whole school sit in the koru shape with the many native trees gifted by our whanau and friends of the Gisborne Gardening Outlets, as **Roimata Panapa** and Matua **Joe Pihema** lead the school in a moving karakia to welcome in Matariki. Matua **Fatu Enari** explained the symbolism of the kura sitting in the Koru shape; our babies sit protected in the centre and as the koru grows so do the children, growing in height, age and learnings until they are on the outside of the koru, ready to fly from the kura, to their next learning arena. Above centre: **D'Artagnon Keelan, Jamie Paratene, Ravin Walker, Oscar Phillips and Kahn Tapsell-Grayson** in solemn karaka. Above right: **Brooklyn Te Kani-Te Ruha** proudly displays a native tree.

Willie Edwards gave up time to come and help us plant the many trees. Here (above) daughter **Bree Edwards**, shows joy in helping dad.

Above centre: **Layken Morrell** dances with her skipping rope as she celebrates Matariki with her kura. Above right: The tuakana-teina ethos so keenly and naturally practiced in our kura is clearly evidenced in the hakari celebrations in room 1. **Nakyiah Gerrard** lends a helping hand to **Jacqui – Ana Te Kani**, whilst other seniors, **Haykim Smith, Ihipera Mackey Ashley Phillips** and others guide or support youngsters to go first.
